A little bit about Henley...

Henley is a very sweet girl who came to the centre via an inspector after she was thrown out of a van, despite attempts to trace who committed this vile act unfortunately the inspectors could not find them. Henley is now safe, loved and healthy and ready to start her search for a loving new home. Henley is a very gentle, sweet natured and friendly girl who just loves her snuggles, she would sit all day getting cuddles if she could. She is sociable with other med - large dogs out on a walk and has lived previously with other lurchers. Henley really will make the most wonderful family pet and after all she has been through she certainly deserves it. Henley is not suitable to live with cats, small animals or small breeds of dogs, she can live with med - large size dogs, children aged 8 years and over. She will need adopters with a fully secure garden with a 6 foot fence.
