## A little bit about Sweep...

Sweep came to the centre as unfortunately her previous owner became ill and could no longer take care of her. Sweep was quite shell shocked when she first came in to us as she just could not understand what was happening. Slowly she has settled in and has started to come out of her shell. Instead of hiding away and shouting at us, she will now lie in her bed and enjoy a fuss. After speaking to family we now know that although she is friendly and enjoys your company Sweep is quite an independent lady who knows what she likes and what she doesn't like. Sweep will need a nice family who enjoy the quiet side to life where she can be left to what she wants when she wants. Sweep really is missing being in a loving home with all her home comforts, snuggling up on the sofa and good food on tap. Sweep will need an adult only home where she is the only pet and a permanent house cat.
