A little bit about Alex...

Alex is a really lovely boy who came to the centre as an unclaimed stray. Alex is a friendly, gentle and kind cat who is always up for a cuddle and a fuss. He spends most of his days snoozing in his comfy bed, coming for some quality time as soon as he hears you coming. All Alex asks for is good food, a comfy sofa to nap on and lots and lots of love and in return he will give you his heart. Alex has spent too much time on the streets, begging for food and trying to find somewhere out of the cold wet weather to sleep, now he is safe, warm and well fed all he needs is his forever home. Could you be the one to give him his happy ever after? Alex could live with children aged 12 years and over, it is not known if he can live with other cats or not.

My personality...

Unknown if i can share my house with another cat

I'll probably spend more time inside

I could live with children of secondary school age
