A little bit about Domino & Saffron...

Very sweet boy who came to us via an inspector with his siblings after their needs were not getting met. He has come on so much since first arriving at the centre and he now has his whole life to look forward to. Sadly Domino started squabbling with his brothers so he is now on the look out for a nice female rabbit he can share his life with. We are looking for accommodation where the hutch is a minimum of 6ft with an attached covered run of a minimum 9ft. Please remember though this is a minimum requirement and always think 'the bigger the better'. They will also require lots of enrichment to keep them happy and entertained. Any other accommodation will happily be discussed by staff at the centre.

My personality...

Please adopt me with my friend

I'd be happy living indoors if you give me lots to do

I could live with children of secondary school age

I like treat time and being hand-fed
