A little bit about Bella & Ripley...

Bella and Ripley came to the centre via an inspector after their needs were not getting met. They are sweet but shy cats who will need a nice quiet and understanding adopter who will help them overcome their insecurities. Ripley (black and white) is slightly more confident of the two. They both rely on each other and have helped each other through some difficult times so we will be homing them together. Bella and Ripley have come on so much since they first arrived at the centre and we now feel they are ready to start their search of a new home. They will just need a little time to settle in a new environment and then they will make the most wonderful additions to the family. They will need an adult only home.
