

RSPCA York, Harrogate
& District Branch
Registered Charity No. 232222

Ref: WC029

Name: Adele

Age: 16 months

Currently living in foster care

Adele is a sweet girl who came to us via inspectors after her needs were not getting met; she was ever so timid when she first arrived at the centre, that the decision was made to put her into a foster home. Her foster parents have done an amazing job with her and her confidence has blossomed. Adele is now ready to start a new chapter in her life and find her forever home.

Adele is suitable to live with other cats and children of secondary school age and over.
