A little bit about Morgan...

Morgan is a super friendly boy who came to the centre as his previous owner could no longer look after him. He is a great rabbit who will make a fantastic addition to the family. Morgan will need to go with an existing female rabbit. He loves his treats and veg, is very good natured and can live with children of primary school age. We are looking for accommodation where the hutch is a minimum of 6ft with an attached covered run of a minimum 10ft x 6.5ft x 3ft. Please remember though this is a minimum requirement and always think 'the bigger the better'. They will also require lots of enrichment to keep them happy and entertained. Any other accommodation will happily be discussed by staff at the centre.

My personality...

I may be able to live with a female rabbit

I'd be happy living indoors if you give me lots to do

I could live with children

I like treat time and being hand-fed
