## A little bit about Minnie & Louie...

Minnie and Louie are sweet little kittens who came to the centre as their previous owner could no longer keep them. They are happy, playful and just adorable kittens who will always come running for a fuss. Although initially a little shy when meeting new people they take next to no time to settle down and become your best friend. Minnie and Louie have so much to look forward to in their new home and will bring their new adopters so much happiness, fun and love in to their lives. They really will make super sweet additions to the family. They are suitable to live with other cats and children aged 12 years and over.
