## A little bit about Cookie & Lola...

Cookie and Lola came to the centre via an inspector after their needs were not getting met. They are very sweet but shy girls who are very gentle natured and will make wonderful pets. Unfortunately Cookie and Lola are finding cattery life quite hard at the moment and hide away together. They will come out for a fuss and a cuddle and actually really like being with you but then they will go and hide again. Cookie and Lola just need a nice quiet home where they can chill out and relax, snoozing the days away and getting lots of love and cuddles from their family. Cookie and Lola are very bonded to one another and rely on each other for support, we will be homing them as a pair. Cookie and Lola really are a very sweet and kind pair of cats who will bring so much love and happiness to the family lucky enough to adopt them. They are suitable to live with children aged 13 years and over so long as they understand that they are shy and will take a little time to settle in to their new home.
