## A little bit about Crumble...

Crumble is a sweet but shy girl who came to the centre via an inspector. Crumble has been through quite a lot before coming to the centre which has sadly left quite shy when meeting new people. She is so much better now she has settled but her new adopters will need to give her some time to settle and get used to her new surroundings and family. Crumble is a gentle natured girl who will prefer a family who lead a quiet lifestyle, she does enjoy a fuss once she trusts you and loves to snuggle in her cosy warm bed for cat naps. Crumble really does deserve to have her happy ever after and put her traumatic past behind her. Crumble could possible live with another cat but will need an adult only home.
