## A little bit about Malutka & Anton...

Malutka and Anton are both very sweet, gentle and lovely cats, they came to the centre as their previous owner could no longer meet their needs. Malutka was quite shy when she first came in but is slowly getting more and more confident as she settles. She really loves a fuss and spending time with you, Anton is also a little shy but with his mum by his side he is getting braver and braver. Anton loves playing with his toys and loves it if you play with him. Malutka and Anton are absolutely devoted to each other and can often be found snuggled up together having a snooze, we will be homing them as a pair. They would suit a quiet home and could live with other cats. They could live with children aged 14 years and over.
