A little bit about Misty...

Misty is a very sweet girl who came to the centre after her racing were over, she is now looking for the loving home she has never known. Misty is an extremely affectionate girl who will take any opportunity to snuggle in for cuddles, if she could get on your knee she would. Misty walks well on the lead and loves being out and about, investigating her surroundings. She also loves to have zoomies in our secure paddocks where she can run for fun. Due to her racing background Misty does have a bit of a prey drive so adopters will need to bare this in mind when walking her out and about. All Misty needs now is a family who will love and cherish her, have a comfy sofa to relax on and enjoy the rest of her life. Misty will make a wonderful addition to the family. Misty is suitable to live with another large breed dog and children aged 8 years and over. Misty is not suitable to live with cats, small animals or small breeds of dog.
