A little bit about Kipfler, Kestrel, Tatty...

These lovely little puppies came to the centre via an inspector. They are very sweet, friendly and playful, everything a little puppy should be. They will need adopters who are at home most of the time while they are still so young. They will be best suited to adopters who lead active lifestyles as when they grow up they will be busy little dogs who will need to be kept both mentally and physically stimulated. These gorgeous puppies will be suitable to live with other dogs and children aged 8 years and over. Kipfler - Black & White Male (blue collar) Kestrel - Black & White Male (red collar) Tatty - Brindle & White Male
