A little bit about Milo...

Milo is a really lovely boy who came to the centre via an inspector after his needs were not getting met. After lengthy legal proceedings Milo is now able to find himself the loving home he has never known. Milo is a great little chap who settled in at the centre no bother and has been an absolute pleasure to take care of, he has many new friends with the staff and volunteer dog walkers who always comment on what a delightful dog he is. He walks well on the lead and enjoys being out and about enjoying the Yorkshire countryside and all it offers. Milo has missed out on so much and now has a bright future to look forward to with a loving new family. Milo likes to keep himself to himself so although he is sociable with other dogs on a walk he would prefer to live on his own or with a very calm older female dog. He could live with children aged 12 years and over.
