A little bit about Jasper...

Jasper is a lovely little lad who came to the centre via an inspector after his previous owner could not meet his needs. Jasper is such friendly and sweet natured boy who will make a wonderful addition to the family. He is playful, curious and loves investigating new things, he really is everything you could want in a cat. After he has entertained himself he will snuggle up for a nap and recharge his batteries, he is a very affectionate cat who does love his snuggles with his people. Jasper would prefer a home where he will not be left on his own for long as he loves company. Jasper could potentially live with another cat and children aged 10 years and over.

My personality...

I may be able to live with another cat

I'll probably spend more time inside

I could live with children of secondary school age

I love company and would like you to be around a good part of the day
