A little bit about Smudge...

Smudge is a really sweet but timid girl who came to the centre as her previous owner was unable to take care of her any more. Smudge is very confused at the moment and tends to hide away under her cat castle, Smudge will come out for a fuss and really enjoys it but sadly is quick to retreat back to her safety area. Smudge is missing being in a loving home and would love to join her new adopters on the sofa in the comfort of a loving new home. Smudge is used to the quiet life as previously lived with an elderly person so we are looking for a nice quiet home for Smudge. If you are looking for a super sweet cat who is full of love then look no further, Smudge is the cat for you. Smudge would prefer to be the only cat in an adult only home where she is a permanent house cat.

My personality...
