A little bit about Max...

Max is a fantastic cat who came to the centre via an inspector after his previous owners could not meet his needs. Max has settled in right away and is just such a friendly boy who just loves being right in the middle of things. He will always come running when he knows you are around for a little fuss. Max will make a super addition to the family lucky enough to adopt him, he will be your best friend and be there for you no matter what. Max could potentially share his home with another cat and could live with children aged 5 years and over.

My personality...

I may be able to live with another cat

I need to be able to go outside and explore

I could live with children of secondary school age

I'm full of energy and love to play
