A little bit about Dotty...

Dotty is a super sweet girl who came to us via an inspector as her previous owner could no longer keep her. She is a very chilled friendly girl who will make a smashing family pet. As soon as she hears you coming she will come running for some fuss and a treat. She spends most of her time chilling in her bed and will find the sunny spot to enjoy, she just loves watching the world go by taking everything in. Dotty would love a home where she can chill on the sofa with her people and enjoy the comforts of a loving home and family. Dotty could potentially live with another cat and children aged 6 years and over.

My personality...

I may be able to live with another cat

I'll probably spend more time inside

I could live with children of secondary school age

I love a cat nap
