Very sweet boys who came to the centre via an inspector after their needs were not being met.

They are friendly boys who will make great pets, sadly both guinea pigs have head tilts, which they are fine with so please do not let that put you off. They would be best suited to living inside the house rather than a hutch outside. Please just speak to a staff member if you think you could offer them the loving home they deserve.

They are suitable to live with teenage children and over.
