Sweet boys who came to the centre via an inspector after their needs were not being met. They are quite shy, so we are looking for patient owners who will help them overcome their insecurities and blossom into the fun cheeky guinea pigs we know they can be.

They are suitable to live with children of secondary school age (but they must be quiet and patient with them). Hutches must be a minimum 5ft with a 5-6ft run attached. We will also accept sheds with an attached run. If intending to be kept indoors please speak to a member of staff.

**These must either be homed as a group of four or pairs**

THESE GUINEA PIGS ARE ENTIRE MALES.
