Adoption Fee £40 for all 4

Lovely group of boys who came to us via an inspector after their needs were not being met, they are a great bunch of boys who get on really well together so we are looking for a loving owner who will find it in their hearts to adopt all four together.

They are such a joy to be around and when it comes to veg time they are like a little choir all by themselves. They are suitable to live with children of junior school age and over.
